from other than General Revenues" and an exception to the rule is made in the case of the employees of the Mysore University.

5. If it is understood that the employees of the Insurance Office come under the term "other Fund Servants" the advances should be credited & debited to their fund. But such advances will be given to the officials of the Insurance Office are being debited to General Revenues.

vide H. T. P.T. 55. 24. 24.

The Insurance Office stands on a different footing from other Offices & its employees are unlike other Fund Servants. The control over the funds and its application entirely rests in first in the case of the Offl. Branch and though it may be the intention to hand over the Public Branch of the Insurance Office to a Separate Committee (vide Para 5) at present it is run as a first Office. The rules of the rest & the pension rules are all applied to the Officials of that Office and it stands to reason that advances to the officials should also be treated like advances to other officials in Govt. Depts. The fact that the Secretary Insurance Committee was allowed to be included in the list of Officers ~~in App. X~~ empowered to sanction bicycle advances (Para 7) strengthens this view. In view of the fact that even if ultimately

The Public Branch is run by a Separate Committee the fact that the Offl. Branch has to continue with Govt., would seem to add weight to this consideration.

All the officials working either in Official Branch or Public Branch are regarded as Government servants and the rules of M.S.R. and the pension rules apply to both the Branch officials alike.

2. Recently house Building advances were sanctioned by Government to 3 officials of Insurance Office and the Comptroller has debited the advances to Insurance Fund in the absence of specific orders of Government. This is contrary to the old practice of debiting the House Building advance to the General Revenues as was done in the case of advances sanctioned to three of the officials of Insurance Office Viz:-

(1) Peon Nagappa in March 1910.
(2) Mr. Nagabhushana Rao in 1914.
(3) Mr. R. Virupax Sastry in 1916.

3. House building or purchasing advances were sanctioned to the following officials in G.Os. noted against each:-

1. Mr. M.S. Narasimha Sastry. (Assistant Secretary)	Rs.4,080/-	in G.O.No.Fl.7858-60/G.F. 1-28 dated 22/23 April 29
2. Mr. K. Srinivasiah (1st Grade Clerk)	Rs.1,080/-	in G.O.No.Fl.7192-4/G.F. 1-28-453 dated 23/25th March 1929.
(3) Mr. R. Virupax Sastry. (Accountant)	Rs. 828/-	in G.O. No.Fl.159-61/G.F. 1-28 dated 8-7-29.

Prior to this, during the past 3 or 4 years no official of the Insurance Office applied for House Building Advance. Government are pleased to sanction the inclusion of the name of the Secretary, Insurance Committee in the annexure to Appendix XXII A Appendices and Forms, Mysore Civil Account Code and this order empowers the Secretary to sanction Bicycle Advances, House Building Advances and all others noted in the Appendix XXII A, as Head of the Department. No

From the limited number of cases referred to by the Deputy Secretary in para 13, this question has not evidently been brought up, as there was no need for it. The grant of interest free ~~yearly~~ advance of one year's pay to subordinates (in the Insurance office — most of the advances will come from them), will mean the withholding of the 4% interest which the amounts advanced will earn from Govt. if such advances are debited to Insurance Fund only.

In the circumstances, the outlay may be ordered to be met by the General grant under Loans and Advances in the same manner as any other Govt. office.

Bicycle advances to officials of the Insurance office are being sanctioned from the general funds and in the circumstances explained in the Insurance Dy's letter, I see no objection to Govt. building advances to permanent officials of Govt. office being also sanctioned from the State funds, instead of from Insurance Fund.

The practice has not been uniform and a ruling is necy.

The Insurance Committee's recommendation of 1931 may be accepted. This arrangement may be (1st) reviewed after 4 years.

To

RAJASEVAPARAYANA
B. SREENIVASA IYENGAR, Esq., B.A., B.L.,
Financial Secretary to the Government
of His Highness the Maharaja of Mysore,
BANGALORE.

SIR,

In forwarding herewith copies of this office letter No.8252 dated 18-11-29 addressed to the Comptroller to the Government of Mysor Bangalore and his reply No.493/Loans dated 3-12-29 in the matter of debiting the House Building Advances sanctioned to the officials of t this office to the Insurance Fund, I have the honour to state that in para 5 of the G.O.No.Fl.3490-538- G.F.588-11-5 dated the 7th February 1914 referred to by the Comptroller, it has been specifically stated that advances from General Revenues cannot be made to Municipal, Palac and Trust Board Servants, and no mention is made therein of the Insurance Office.

The Insurance department is almost a Government concern, just as the Electrical or the Railway Departments and is not to be regarded as similar to the Palace, Municipalities and District or Taluk Boards and as such no advances from other than General Revenues can be made to them according to the second part of para 5 of the said Government Order.

The question of granting and debiting the House Building Advances to officials of the Insurance Office, was referred to the Insurance Committee in Financial Secretary's letter No.Fl.4622-G.F. 306-10-2 dated 3-3-1911 and the opinion of the Committee submitted to Government with this office letter No.3425 dated 2-5-11. After the resolution was submitted to Government, House Building advance was granted to one Mr.R. Virupax Sastry. of this office in G.O.No.Fl.,

5904-6/G.F.9-5-140 dated the 20th May 1916 and the amount debited to General Revenues.

It has therefore to be inferred that the Government have accepted the Committee's resolution above referred to.

Under these circumstances, I request you to be so good as to issue necessary instructions to the Comptroller to debit the advances made to the officials of this office to General Revenues as usual instead of to the Insurance Fund.

I have the honour to be,

Sir,

Your most obedient servant,

for Secretary,
Insurance Committee. 25/1/30

Copy of letter No.483/Loans dated the 3rd December 1929 from the Comptroller to the Government of Mysore, Bangalore to the Secretary, Mysore State Life Insurance Committee, Bangalore.

With reference to your letter No.8252 dated 14th November 1929, asking for the number and date of Government Order on the authority of which House Building Advances sanctioned to the officials of the Insurance Office were debited to Insurance Fund,&c, I have the honour to invite your kind reference to Government Order No.Fl.3490-538/G.F. 588-11-5 dated 7th February 1914, according to which advances sanctioned to fund servants cannot be met out of General Revenues-(Gide article 161-1 (b) of M.C.A.C. Volume I).

The circumstances under which the advance drawn by Mr. R. Virupax Sastry in 1916 was debited to General Revenues are being looked into and this instance cannot be taken as authority for debiting the advance to General Revenues. As regards Bicycle Advances sanctioned to the officials of the Insurance Office, they are chargeable to General Revenues since separate provision is made therefor in the budget under General Revenues and the rules governing the grant of Bicycle Advances do not prohibit their being debited to General Revenues as in the case or House Building Advances.
